**STATEMENT**

I, Paul J. Esatto, Jr., the undersigned, hereby state the following:

- I. I am senior partner at the law firm of Scully, Scott, Murphy, and Presser (hereinafter SSMP) located in Garden City, New York, United States of America.
- II. In my capacity as senior partner it is among one of my many responsibilities to review all communications from the U.S. Patent and Trademark Office addressed to me, including Office Actions, Notice of Allowances, Notice to File Missing Parts, and all other mail having due dates upon their arrival at SSMP. After review, I assign the case to an attorney for further handling, if necessary.
- III. Upon receipt of the Notice of Abandonment, I carefully reviewed the docket and determined that the Notice of Allowance was not in the file. I had the docketing department search our computer database, and it was determined that the Notice of Allowance was never entered into the computer database. A copy of the print-out of the computer data sheet for the above application is attached. The print-out shows that no entry was made for the Notice of Allowance and payment of the issue fee.
